

SPECIAL PROGRAMS - MINI U 2012 REGISTRATION FORM (PAGE 1)

For more information call (204) 727-7311,
email MiniU@brandonu.ca, or visit us at miniu.brandonu.ca

IMPORTANT INFORMATION!

- 1) Complete **one form** (both sides!) **PER CHILD**.
- 2) Please read the form carefully and print clearly in ink.
- 3) Payment must be received before registration is processed. **Post-dated cheques** will **not** be accepted.

STEP 1) Choose your session(s) -- PLEASE complete one registration form PER CHILD

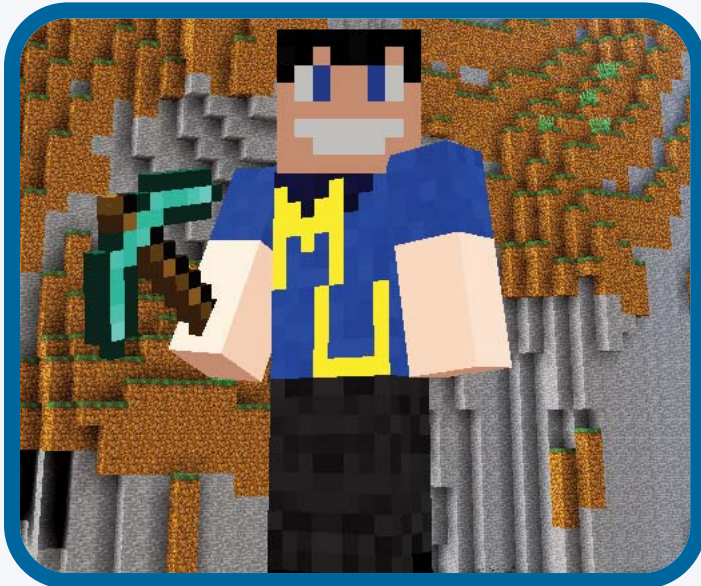

Spring Break Program (March 26 - 30, 2012)

MORNING (9:00 am-12:00 pm; drop-off as early as 8:30 am)

MINECRAFT CAMP (AM - AGES 9-15)

You've bugged Ivah about it all year. Now it's coming to Mini U in a big way. Minecraft is the award-winning video game about exploring, digging, harvesting and building whatever your heart desires. Come join the fun on our custom MiniTopia server, packed with cool new features like RPG character classes and spells, player shops, treasure hunts and even randomized dungeons. (Please note that Minecraft player accounts will be provided.)

Course is limited to 12 students: register early!

Parents: Please Take Note!

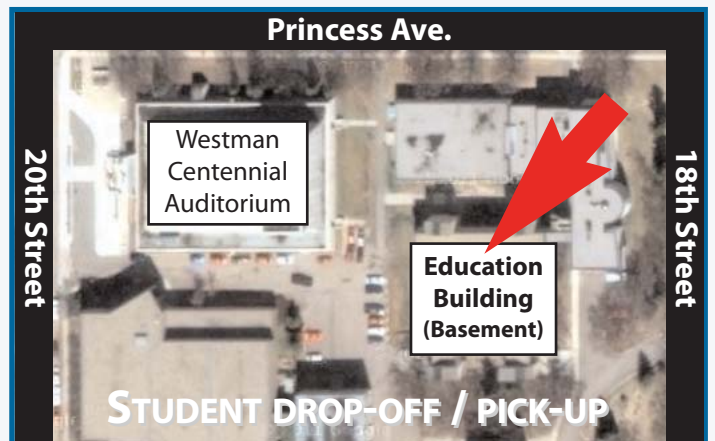

- ❖ Please send a bag lunch (for full-day students). A water bottle and snacks can be handy during breaks too. **(Absolutely no food containing nuts please!)**
- ❖ Due to construction of the new Healthy Living Centre, **all student pick-ups and drop-offs will be at the Brandon University Education Building -- Basement level** (please follow the posted signs).
- ❖ **AM-only students** can be dropped off as early as 8:30 am and can be picked up from 12:00 to 12:15 pm.
- ❖ **PM-only students** can be dropped off between 12:45 and 1:00 pm and picked up as late as 4:30 pm.
- ❖ **Full-day students** can be dropped off as early as 8:30 am and picked up as late as 4:30 pm.

AFTERNOON (1:00-4:00 pm; pick-up as late as 4:30 pm)

LEGO ROBOTICS SUMO CHALLENGE (PM - AGES 9-15)

Designed for both beginners and experienced LEGO robot builders. Working in pairs, participants learn how to build robots using the provided LEGO Mindstorms intelligent brick, motors, sensors, and parts. The course builds up to a final sumo-bot competition, with an added twist for our previous Intro to LEGO Robotics students: you will now get the chance to directly pilot your robot!

Course is limited to 12 students: register early!

REGISTRATION FORM (PAGE 2) - SPECIAL PROGRAMS - MINI U 2012

--	---	---	--

STEP 3) Informed Consent Agreement: Registration cannot be accepted without signed consent from a legal guardian or parent.

Participants in Brandon University's Mini University must, at all times, abide by the guidelines and regulations set forth by the program. Brandon University, its agents and employees will not be held liable for any and all injuries, accidents, illnesses, loss of property or access to and dissemination of inappropriate or controversial material through electronic means, howsoever arising from participation in the program. I also hereby authorize Brandon University's Mini University and Actua, the National organization to which Mini University is a member, to photograph, audio record, video record, podcast and/or webcast the above-named child/youth (digitally or otherwise) without charge; and to allow Mini University and Actua to copy, modify and distribute in print and online, those images that include your child in whatever appropriate way either Mini University and/or Actua sees fit without having to seek further approval. No names will be used in association with any images or recordings. I also give permission for the above-named child/youth to travel off-campus during Mini University (either by walking or by vehicle) for field trips, under the supervision of an instructor or instructors. In consideration of the above, I hereby give my permission for the above-named child/youth to participate in Brandon University's Mini University and I agree to hold harmless Brandon University, its agents and employees, from any and all claims and actions arising as a result of his or her participation in the program.
